		50 *5000k				

*applies to standard code methodology

FEATURES

- 160lm/w efficiency
- Ingress protection IP66
- Impact protection IK10
- IEC 60529:2013 complaint IP69K
- Corrosion resistant body
- Screwless smooth body profile
- Food grade polycarbonate lens
- 50°, 90° and 120° beam optics
- Multiple mounting options
